

KITAMI INSTITUTE OF TECHNOLOGY

OUR MISSION: Developing Technologies in Harmony with Nature

OUR LOCATION:

International Center
 kenkyu05@desk.kitami-it.ac.jp
<http://www.kitami-it.ac.jp>

LIVING EXPENSES (per month):

Accommodation: JPY 17,900— JPY 35,000

Personal Expenses: around JPY 50,000

Average Total Expenses: around JPY 75,000

OUR PROGRAMS:

*most courses in the undergraduate and master program held in Japanese only, partly in English

4-year undergraduate programs* at one of two schools:

- ★ School of Earth, Energy and Environmental Engineering
- ★ School of Regional Innovation and Social Design Engineering

Application Period:

Mid-End of January

Students choose from **8 different course programs:**

Applied Energy, Environment Protection and Disaster Prevention, Advanced Materials, Intelligent Machines and Biomechanics, Information Design and Communication, Civil Infrastructure, Biotechnology and Food Chemistry, Regional Management Engineering

2-year master's programs* in the fields of:

Mechanical and Electrical Engineering
 Civil and Environmental Engineering
 Information and Communication Engineering
 Applied Chemistry

3-year doctoral programs in the fields of:

Manufacturing Engineering
 Cold Regions, Environmental & Energy
 Engineering Medical Engineering

Application Periods: June & January

Short-term exchange programs for

students enrolled at KIT's partner institutions
